- 1 All children in BC receive MSP at no charge. Child may be added to the guardian's MSP account. If the guardian is eligible for Supplementary Benefits and/or PharmaCare coverage, the child may be as well. The guardian should contact Ministry of Health for more info.
- 2 If the guardian receives Income Assistance or Disability Benefits, the child may be eligible for optical and dental benefits. If the guardian has a low income, the child may be eligible for Healthy Kids. The guardian should contact the Ministry of Social Development and Poverty Reduction for more information.
- 3 Guardian may be eligible to apply, as any parent in the community.

Adoptive parents may be eligible for additional support services not listed here.
