Education Achievement Bursary

Want to go back to school but wondering if you can afford tuition on top of everything else? The Education Achievement Bursary can provide you with up to \$1500 for tuition at a post-secondary school. Young people can use this bursary for all accredited schools, not just the usual designated post-secondary schools.

Reach for Success Bursary

Are you working towards a goal but there's an expense getting in your way? The Reach for Success Bursary can provide you with up to \$500 to overcome barriers you might face in achieving your goals. Reach for Success Bursary winners have used the money to pay for photography lessons, driving lessons, yoga memberships, sports team fees, Canadian citizenship applications, BCIDs, certifications like FoodSafe and Serving it Right, and even dental work. NEW BOOK: THE WAY OF PLAY:

Using Little Moments of Big Connection to Raise Calm and Confident Kids

"Most parents understand that free, unstructured playtime is great for children's development. What they may not know is that playful interaction with parents is also a powerful way for kids to cultivate healthy emotional development and resilience. Kids often want their parents to play with them, but many parents don't know how to play or see it only as an (often boring) way to kill time.

Playing with your kids doesn't have to mean enrolling in countless parent-and-me classes or getting on all fours and making toy car sounds; the little daily moments together can make the most impact. In *The Way of Play*, world-renowned pediatric therapists and play experts Tina Payne Bryson and Georgie Wisen – Vincent break down seven simple, playful techniques that harness this caregiving magic in only a few minutes each day:

- Leaning in to emotions helps children let go of anxieties, drama, and chaotic behavior.
- Tuning in to the body teaches children to practice the art of surfing sensory waves.
- Storytelling promotes better problem-solving.
- Thinking out loud fosters calmer thinking and stronger communication with parents, siblings, and everyone else.

Full of science-backed research, real-life stories, and charming line illustrations to bring this novel advice to life, *The Way of Play* will help you nurture your kids and encourage them to become calm listeners, cooperative problem solvers, and respectful communicators."

Available Jan 21, 2025 on Amazon.ca and other retailers.
