Myles Himmelreich is a well-known motivational speaker on FASD, having presented nationally and internationally for many years, sharing his experiences in living with FASD. In his work as a mentor to other youth and adults with FASD, Myles has helped them to understand and accept that we all share similar struggles and the desire to succeed. As well as, working as a consultant, Myles has done a great deal of work with the media. Most recently, Myles was part of a ground-breaking study on the health and physical issues of adults with FASD. Myles' goal is to help others with FASD find their voice and to help society understand that we are greater when we are united and work together.
