

GRIEF AND LOSS

A CHILD'S VIEW ON GRIEF AND A TEEN'S VIEW ON GRIEF

Educational Videos for Bereavement
Caregivers by Dr. Alan Wolfelt Ph.D.

A Child's View on Grief – “Written by and featuring Dr. Wolfelt, this video explores several key principles of helping children cope with grief. In use by hundreds of hospices and funeral homes throughout North America”

A Teens View on Grief – “Written by and featuring Dr. Alan Wolfelt, this 40 Minute video on teen grief contains in-depth information and compassionate advice. Throughout, Dr. Wolfelt's teachings are inspired with comments from actual bereaved teens.”

“Dr. Alan Wofelt is a respected educator, author and grief counselor. Known for his compassionate messages about healing in grief, he is director of the Centre for Loss and Life Transition and lives in Colorado with his wife and Three Children.”
