

Support To Family Care Network Program

MEETING UNMET DEVELOPMENTAL NEEDS IN OLDER CHILDREN

With Sarah Dillon of Inspire Training

This course will equip attendees with the skills and knowledge to begin to meet unmet developmental needs in older children with Developmental Trauma. We will focus on practical ways/strategies to begin to meet those needs and applying them. Sarah Dillon will provide attendees with the skills, knowledge, and confidence to respond to the emotional age of the child no matter what the chronological age might be.
